Re: Proposed ordinance adopting  
a common seal.

City Council  
Seattle

Gentlemen:

Pursuant to your request we have prepared and herewith transmit a proposed ordinance adopting a common seal for the City patterned after a model prepared by Mr. J. A. Wehn. The proposed ordinance also repeals Ordinance No. 5478, approved July 29, 1899, which adopted the seal used by the City at the present time.

The proposed ordinance also provides for a grant of right to adopt and use and release of claim for the adoption and use of the seal, and annexes a form for the grant and release to be executed by James A. Wehn.

The proposed ordinance makes no appropriation for payment of cost of casting as requested in the letter of the Comptroller. We understand the model has already been cast and that that expense has been taken care of. The only expense the City will be required to pay is the cost of making the seal, which we understand will not exceed \$10.00, and which can be paid from the operating expenses of the Comptroller's Department.

We understand that a seal of the style adopted by the ordinance is being manufactured at the request of the Comptroller. Before the ordinance is passed, an impression of the seal should be made on the original of the proposed ordinance at the end of Section 1.

Comptroller's File No. 151546 accompanying your request is herewith returned.

Yours very truly,

A. C. VAN SOELEN,  
Corporation Counsel,
